

Fairstead one

Blimey, here comes another one!

Now with buses into town every 10 minutes
Monday to Friday from half eight to ten o'clock

The unlimited refills one!

Buy a bargain weekly or LynnGo ticket and go into town and back as much as you like (and lend them to friends and family too when you're all shopped out!)
www.norfolkgreen.co.uk

Fairstead One buses are normally step-free

They stop at all stops along the route, and anywhere safe around the Fairstead Loop

Over-60s bus passes are valid after 0830 Monday to Friday and all day Saturday and Sunday

First 42A buses after 7pm every day are run with public funding from Norfolk County Council, which means that valid LynnGo and Norfolk Green tickets issued on Fairstead One can be used on them, too!
